## EDUCATION

### Rustamji Institute of Technology, BSF Academy

Bachelor of Technology in Electronics & Communication, Minor in Business

Gwalior

Sep. 2022 – Apr 2026

## EXPERIENCE

### Regional Head

Endless Domains

Jan 2026 – May 2026

Gwalior, MP

- Led regional Web3 ecosystem growth through **developer outreach**, partnerships, and community initiatives, achieving **200+ domain mints in just 2 days** while driving protocol adoption.

### Community Manager

Neurolov.ai

Feb 2024 – Sep 2025

Ahmedabad, Gujarat

- Managed a **10K+ member** Web3 community across Discord, Telegram, and X through onboarding, moderation, and AMAs, contributing to Neurolov's growth from its early stage to a **\$12M** valuation.

### Blockchain Developer

Blockchain Headhunter

Feb. 2025 – May 2025

Remote

- Built scalable Bitcoin solutions using **zk SNARKs**, **BitVM**, and Layer 2 technologies while contributing to secure cross chain interoperability and blockchain infrastructure optimization.

## PROJECTS

### ChainPay

- Engineered a **Peer to Peer Web3 payment platform** enabling **instant wallet to wallet transactions** with complete **self custody**, eliminating intermediaries while delivering secure, transparent, and seamless crypto payments for freelancers and businesses.

### AURA

- Built a **portfolio grade Web3 analytics dashboard** providing **real time on chain activity**, **wallet insights**, and **token tracking** with an intuitive interface, enabling users to monitor blockchain data through high performance visualizations.

## SKILLS

- Languages:** C/C+, JavaScript, Python, Solidity, Rust, Move, SQL (Postgres)
- Frameworks:** React, TypeScript, Node.js, Astro, GSAP, Material UI, ShadCN UI
- Blockchain:** Truffle, Hardhat, Ganache, Aptos, Wagmi, Chainlink, Geth, Move
- Tools:** Git/Github, Excel/Notion, Supabase/Firebase, MongoDB, Figma, Docker, Linux
- Community & DevRel:** Community Building, Ecosystem Growth, Event Management, Technical Workshop, Public Speaking, Partnership Development

## POSITION & RESPONSIBILITIES

- Built and scaled Web3 Communities by leading the **1,200+ member Gwalior DAO**, organizing **30+ Hackathons, Meetups, and Technical events** with some big Ecosystems & DEX's, **Avalanche, Algorand, BNB Chain, Colosseum, Solana, Shardeum, MetaSpace, CoinDCX, Superteam** and **ENS Labs**, while fostering developer adoption, strategic partnerships, and representing **BingX & Weex** as a Trading Partner.

## ACHIVEMENTS

- Secured **1st Place** in **Binance Q4 Hackathon** - won **\$4.5k**.
- Secured **2nd Place** in **Avalanche Team1 Hackathon** - **Pune**, that too top 20 teams - won **\$700**.
- Secured **3rd Place** in **Hack India Web3 Hackathon** - won **\$1.5k**.
